Appendix 2 HCFA 1500 Claim Form Completion Instructions for Chiropractic Services

Use these claim form completion instructions to avoid denial or inaccurate claim payment. Enter all required data on the claim form in the appropriate element. Include attachments only when asked to do so. All elements are required unless "not required" is specified.

Wisconsin Medicaid recipients receive an identification card when initially enrolled into Wisconsin Medicaid and at the beginning of each following month. Providers should always see this card before rendering services. Please use the information exactly as it appears on the identification card to complete the patient and insured information.

Element 1 - Program Block/Claim Sort Indicator

Enter claim sort indicator "P" in the Medicaid check box. Claims submitted without this indicator are denied.

Element 1a - Insured's ID Number

Enter the recipient's 10-digit Wisconsin Medicaid identification number from the current identification card. Do not enter any other numbers, unless the claim is a Medicare crossover claim, in which case the recipient's Medicare number may also be entered.

Element 2 - Patient's Name

Enter the recipient's last name, first name, and middle initial from the current identification card.

Element 3 - Patient's Birth Date, Patient's Sex

Enter the recipient's birth date in MM/DD/YY format (e.g., February 3, 1955, would be 02/03/55) from the identification card. Specify if male or female with an "X."

Element 4 - Insured's Name (not required)

Element 5 - Patient's Address

Enter the complete address of the recipient's place of residence.

Element 6 - Patient relationship to Insured (not required)

Element 7 - Insured's Address (not required)

Element 8 - Patient Status (not required)

Element 9 - Other Insured's Name

Bill health insurance (commercial insurance coverage) before billing Wisconsin Medicaid, unless the service does not require health insurance billing according to Appendix 18a of Part A of the provider handbook.

- ◆ Leave this element blank when the provider has not billed health insurance because the "Other Coverage" on the recipient's identification card is blank, the service does not require health insurance billing according to Appendix 18a of Part A of the provider handbook, or the recipient's identification card indicates "DEN" only.
- ◆ When "Other Coverage" on the recipient's identification card indicates HPP, BLU, WPS, CHA, DEN, or OTH, and the service requires health insurance billing according to Appendix 18a of Part A of the provider handbook, indicate one of the following codes in the *first* box of element 9. The description is not required, nor is the policyholder, plan name, group number, etc. (Elements 9a, 9b, 9c, and 9d are not required.)

Code	Description
-------------	--------------------

OI-P	PAID in part by the health insurance. The amount paid by the health insurance to the provider or
------	--

the insured is indicated on the claim.

OI-D DENIED by the health insurance following submission of a correct and complete claim or payment was applied towards the coinsurance and deductible. Do NOT use this code unless the claim in question was actually billed to and denied by the health insurer.

OI-Y YES, card indicates health insurance but it was not billed for reasons including, but not limited to:

- ♦ recipient denies coverage or will not cooperate;
 - ♦ the provider knows the service in question is noncovered by the carrier.
 - ♦ health insurance carrier failed to respond to initial and follow-up claim; or
 - ♦ benefits not assignable or cannot get an assignment.
- ♦ When "Other Coverage" on the recipient's identification card indicates "HMO" or "HMP", indicate one of the following disclaimer codes, if applicable:

Code	Description
-------------	--------------------

OI-P	PAID by HMO or HMP. The amount paid is indicated on the claim.
------	--

OI-H	HMO or HMP does not cover this service or the billed amount does not exceed the coinsurance or deductible amount.
------	---

Important Note: The provider may *not* use OI-H if the HMO or HMP denied payment because an otherwise covered service was not rendered by a designated provider. Wisconsin Medicaid does not pay for services covered by an HMO or HMP except for the copayment and deductible amounts. Providers who receive a capitation payment from the HMO may not bill for services which are included in the capitation amount.

Element 10 - Is Patient's Condition Related To (not required)

Element 11 - Insured's Policy, Group or FECA Number

The *first* box of this element is used by Wisconsin Medicaid for Medicare information. (Elements 11a, 11b, 11c, and 11d are not required.) Medicare must be billed before billing to Wisconsin Medicaid. When the recipient's identification card indicates Medicare coverage, but Medicare does not pay, indicate one of the following Medicare disclaimer codes. The description is not required.

Code	Description
-------------	--------------------

M-1	Medicare benefits exhausted. This disclaimer code may be used by hospitals, nursing homes, and home health agencies when Medicare has made payment up to the lifetime limits of its coverage.
-----	---

M-5	Provider not Medicare-certified for the benefits provided.
-----	--

M-6	Recipient not Medicare eligible.
-----	----------------------------------

M-7	Medicare disallowed (denied) payment. Medicare claim cannot be corrected and resubmitted.
-----	---

M-8	Medicare was not billed because Medicare never covers this service.
-----	---

If Medicare is not billed because the recipient's identification card indicates no Medicare coverage, leave this element blank.

If Medicare allows an amount on the recipient's claim, attach the Explanation of Medicare Benefits (EOMB) to the claim and leave this element blank. Do not enter Medicare paid amounts on the claim form. Refer to Appendix 17 of Part A of the provider handbook for more information about submitting claims for dual entitlements.

Elements 12 and 13 - Authorized Person's Signature

(Not required since the provider automatically accepts assignment through Wisconsin Medicaid certification.)

Element 14 - Date of Current Illness, Injury, or Pregnancy (not required)

Element 17a - ID Number of Referring Physician (not required)

Element 18 - Hospitalization Dates Related to Current Services (not required)

Element 19 - Reserved for Local Use

If an unlisted procedure code is billed, providers must describe the procedure. If element 19 does not provide sufficient space for the procedure description, or if multiple unlisted procedure codes are being billed, attach documentation to the claim describing the procedure(s). In this instance, providers must indicate "See Attachment" in element 19.

Element 20 - Outside Lab

If a laboratory handling fee is billed, check "yes" to indicate that the specimen was sent to an outside lab.

Element 21 - Diagnosis or Nature of Illness or Injury

Enter an allowable diagnosis code. Refer to Appendix 3 of this handbook for allowable chiropractic diagnosis codes.

Element 22 - Medicaid Resubmission (not required)

- ♦ When billing for one date of service, enter the date in MM/DD/YY format in the "FROM" field.
- ♦ When billing for two, three, or four dates of service on the same detail line, enter the first date of service in MM/DD/YY format in the "FROM" field, and subsequent dates of service in the "TO" field by listing *only* the date(s) of the month (i.e., DD, DD/DD, or DD/DD/DD).

It is allowable to enter up to four dates of service per line if:

- ♦ All dates of service are in the same calendar month.
- ♦ All services are billed using the same procedure code and modifier, if applicable.
- ♦ All procedures have the same type of service code.
- ♦ All procedures have the same place of service code.
